- the Department of Education and Early Childhood Development (DEECD) *Victorian kindergarten policy, procedures and funding criteria*.
- complying with legislation relating to Working with Children (WWC) Check, Victorian Institute of Teaching (VIT) registration and meeting Child Safe Standards.

### POLICY STATEMENT

#### 1. Values

Eltham Woods Pre-School is committed to;

- The employment of qualified staff with a range of relevant qualifications and experience to provide an educational program, which meets the needs of all children and families using the centre
- The employment of staff, according to the requirements of the Children's Services Regulations 2009; and for funded kindergarten programs, the DEECD Victorian kindergarten policy, procedures and funding criteria.
- complying with relevant industrial agreements and current legislation in relation to the employment of staff, including the Equal Opportunity Act 2010, Fair Work Act 2009 and the Worker Screening Act 2020

#### 2. Scope

This policy applies to all members of Eltham Woods Pre-School staff and committee of management

#### 3. Background and Legislation

##### Background

High quality services with qualified, skilled and supported educators have a long-term positive impact on the trajectory of children's lives. Minimum qualification requirements are specified in legislation for all educators working in early childhood education and care services. Eligibility for services to receive funding also includes requirements for staff to hold specific qualifications (*The Kindergarten Funding Guide – refer to Sources*).

A current list of approved qualifications is available on the Australian Children's Education and Care Quality Authority (ACECQA) website (refer to *Sources*). Applications can also be made to ACECQA to determine if other qualifications (such as those gained overseas) entitle the individual to work as an

early childhood teacher, diploma-level educator or certificate III level educator. Application forms are available on the ACECQA website and a fee is required for processing an application.

In addition, there are legislative requirements that there is at least one educator who holds current approved first aid qualifications, anaphylaxis management training and emergency asthma management training to be in attendance and immediately available at all times that children are being educated and cared for by the service. These qualifications must be updated as required, and details of qualifications must be kept on an individual's staff record. As a demonstration of duty of care and best practice, ELAA recommends **all educators** have current approved first aid qualifications, anaphylaxis management training and emergency asthma management training.

Opportunities for professional development are crucial for all educators to ensure that their work practice remains current and aligned to the practices and principles of the national *Early Years Learning Framework* (EYLF) and the *Victorian Early Years Learning and Development Framework* (VEYLDF) (refer to *Sources*).

Staff are required to actively supervise children at all times when children are in attendance at the service (refer to *Supervision of Children Policy*). To facilitate this, services are required to comply with legislated educator-to-child ratios at all times, which are based on the qualifications of the educators, and the ages and number of children at the service. Only those educators working directly with children (refer to *Definitions*) can be counted in the ratio.

All educators and staff are required by law to have a current WWC Clearance or be registered with the VIT (refer to *Definitions*). It is also recommended that the Nominated Supervisor and staff with financial responsibilities also have a criminal history record check (refer to *Definitions and Sources*).

Child Safe Standard 4 requires organisations to have policies and procedures in place for the recruitment and selection, supervision, training and performance management of staff (refer to *Child Safe Environment Policy*).

## Legislation and standards

Relevant legislation and standards include but are not limited to:

- Child Safe Standards

## 4. Definitions

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Regulatory Authority, National Law, National Regulations etc. refer to the *General Definitions* section of this manual.

**Adequate supervision:** (In relation to this policy) **supervision** entails all children (individuals and groups) in all areas of the service, being in sight and/or hearing of an educator at all times including during toileting, sleep, rest and transition routines. Services are required to comply with the legislative requirements for educator-to-child ratios at all times. Supervision contributes to protecting children from hazards that may emerge in play, including hazards created by the equipment used.

Adequate supervision refers to constant, active and diligent supervision of every child at the service. Adequate supervision requires that educators are always in a position to observe each child, respond to individual needs, and immediately intervene if necessary. Variables affecting supervision levels include:

- number, age and abilities of children
- number and positioning of educators
- current activity of each child
- areas in which the children are engaged in an activity (visibility and accessibility)
- developmental profile of each child and of the group of children
- experience, knowledge and skill of each educator
- need for educators to move between areas (effective communication strategies).

**Approved first aid qualification:** A list of approved first aid qualifications, anaphylaxis management and emergency asthma management training is published on the ACECQA website: [www.acecqa.gov.au](http://www.acecqa.gov.au)

**Criminal history record check:** A full-disclosure, Australia-wide criminal history record check issued by Victoria Police (refer to *Sources*), or by a police force or other authority of a state or territory, or the Commonwealth. It may also be referred to as a National Police Certificate or Police Records Check.

**Early childhood teacher:** A person with an approved early childhood teaching qualification. Approved qualifications are listed on the ACECQA website: [www.acecqa.gov.au](http://www.acecqa.gov.au)

**Educator:** An individual who provides education and care for children as part of an education and care service.

**Educational Leader:** The Approved Provider of an education and care service must designate, in writing, a suitably-qualified and experienced educator, co-ordinator or other individual to lead the development and implementation of educational programs at the service (Regulation 118). This person must have a thorough understanding of the *Early Years Learning Framework* (or other approved learning framework), be able to guide other educators in their planning and reflection, and mentor colleagues in the implementation of their practice.

**The Kindergarten Funding Guide:** provides detailed information from the Department of Education and Training (DET) about the types of kindergarten funding available, eligibility criteria, how to apply for funding and how to comply with operational requirements once funding has been granted.

**Nominated Supervisor:** A person who has been nominated by the Approved Provider of the service under Part 3 of the Act can be the Nominated Supervisor. All services must have a Nominated Supervisor with responsibility for the service in accordance with the National Regulations. The Approved Provider must take reasonable steps to ensure the Nominated Supervisor is a fit and proper person with suitable skills, qualifications and experience. The Regulatory Authority must be notified if the Nominated Supervisor for the service changes or is no longer employed at the service within 14 days.

**Person with management or control:** Each member of the executive committee of the association which is the Approved Provider, who has the responsibility, alone or with others, for managing the delivery of the education and care service.

**Responsible Person:** The Approved Provider (if that person is an individual, and in any other case the person with management or control of the service operated by the Approved Provider) or a Nominated Supervisor or person in day-to-day charge of the service in accordance with the National Regulations.

**Staff record:** A record which the Approved Provider of a centre-based service must keep containing information about the Nominated Supervisor, the Educational Leader, staff, volunteers, students and the Responsible Person at a service. Details that must be recorded include qualifications, training and the WWC Check (Regulations 146–149). A sample staff record is available on the ACECQA website: [www.acecqa.gov.au](http://www.acecqa.gov.au)

**Victorian Institute of Teaching (VIT):** The statutory authority for the regulation and promotion of the teaching profession in Victoria, established as part of the Victorian Institute of Teaching Act 2001. All early childhood teachers are required to be registered with the Victorian Institute of Teaching.

**Working with Children (WWC) Clearance:** A WWC Clearance is granted to a person under Worker Screening legislation if:

- they have been assessed as suitable to work with children
- there has been no information that, if the person worked with children, they would pose a risk to those children
- they are not prohibited from attempting to obtain, undertake or remain in child-related employment.

**Working with Children (WWC) Check:** The clearance is a legal requirement under the *Worker Screening Act 2020* for those undertaking paid or voluntary child-related work in Victoria. The Department of Justice assesses a person's suitability to work with children by examining relevant serious sexual, physical and drug offences in a person's national criminal history and, where appropriate, their professional history.
