**4. BACKGROUND AND LEGISLATION**

**Background**

The Department of Education and Training (DET) provides per capita funding as a contribution towards the costs of the four-year-old kindergarten program. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program. In addition, the Kindergarten Fee Subsidy (refer to *Definitions*) enables eligible families to attend the four-year-old kindergarten program at minimal or no cost.

DET also funds eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in the *The Kindergarten Guide* (refer to *Sources*).

DET requires that funded services have a comprehensive written fees policy in place, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged, as required under Regulation 168(2)(n), and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must comply with the *Kindergarten Fee Subsidy – Fees Policy* (refer to *Definitions*), and be responsive to the local community and the viability of the service. *The Kindergarten Guide* (refer to *Sources*) outlines the criteria to be covered in the policy.

### Attachment 1

#### Fee information for families

## Eltham Woods Preschool

### 1. Why fees are necessary

The Department of Education and Training (DET) provides per capita funding as a contribution toward the costs of providing a three and four-year-old kindergarten program. Services meet the balance of costs through charging fees and fundraising activities.

DET provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a three and four-year-old kindergarten program free of charge, or at a minimal cost. DET also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

Eltham Woods Preschool provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

### 2. How fees are set

As part of the budget development process, the Committee of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees

Eltham Woods Pre-School FEES POLICY Page 6 of 13

- reasonable expenditure in meeting agreed program quality and standards
- requirements of the *Kindergarten Fee Subsidy – Fees Policy* (details in the *The Kindergarten Guide (Department of Education and Training)* available under *early childhood / service providers* on the DET website: [www.education.vic.gov.au](http://www.education.vic.gov.au))

Fees set for the year are only reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point.

### 3. Other charges

Other charges levied by Eltham Woods Preschool are included on the Statement of Fees and Charges. These include:

- **Kindergarten fee deposit:** This payment secures a child's place at the service and is payable on acceptance of enrolment. The deposit is retained as part payment on term 4 fees. Families eligible for the Kindergarten Fee Subsidy (see below) are not required to pay the deposit. Families experiencing hardship should also discuss any difficulties with the service.
- **Excursion/service event charge:** This additional charge is required to cover the cost of excursions or special events that occur throughout the year in response to emerging children's program needs and interests. Affordability and relevance to the children's interests and the service program will be taken into consideration before a decision is made that will require families to pay this additional charge (refer to *Excursions and Service Events Policy*). Events that are planned ahead are included as an expenditure item in the service's budget and do not incur this additional charge.
- **Late collection charge:** The Committee of Management reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by the Committee of Management.
- **Maintenance fee** – the participation of parents/guardians is encouraged by the service and can help keep costs more affordable. As not all families are able to assist at the service, a maintenance

levy has been introduced.

#### **4. Statement of fees and charges**

A statement of fees and charges for four-year-old or three-year-old kindergarten will be provided to families on enrolment.

#### **5. Fundraising**

Not all service costs are covered by DET per capita funding and the fees charged. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

#### **6. Extended Care**

Eltham Woods Preschool runs an Extended Care Program after the session on Tuesday and Thursday. It runs from 4 – 5.30pm.

Children enrolled in Extended Care are required to enroll in both days.

Each child and session costs \$25 (\$50 per week).

A term deposit of \$500 to use this program which will be refunded in Term 4. Each child must remain in the Extended Care program for the duration of the year to receive their deposit back in Term 4.

#### **7. Subsidies**

##### **7.1 Kindergarten Fee Subsidy (excludes extended care)**

The Kindergarten Fee Subsidy is provided by DEECD and enables eligible children to attend kindergarten free of charge or at minimal cost. Eligibility conditions change from time-to-time – contact the service for further information.

- Emergency Rescue visa (subclass 203)
- Woman at risk visa (subclass 204)

Supporting documentation must be sighted by the service on acceptance of a place or on commencement in the program. Families are eligible for the Kindergarten Fee Subsidy for the full term in which their concession is valid. Contact the service for further information.

### **7.2 Early Start Kindergarten fee subsidy**

Three-year-old Aboriginal and Torres Strait Islander children and children known to Child Protection are eligible to attend a funded early childhood program that is planned and delivered by a qualified early childhood teacher free of charge. The service receives funding for children who meet the eligibility criteria. Contact the service for further information.

### **8. Payment of fees**

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will include payment instructions. The first term's fees are invoiced upon commencement at Eltham Woods Preschool. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. Receipts will be provided upon request for fee payments.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Treasurer to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

### **9. Unpaid fees**

If fees are not paid by the due date, the following steps will be taken.

#### **Eltham Woods Pre-School FEES POLICY Page 8 of 13**

- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.

### **10. Refund of fees**

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and fee deposit, where appropriate) will be provided. Fees may still apply for programs offering more than the required minimum hours per week.

In any other case, fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Committee of Management). There will be no refund of fees in the following circumstances:

- a child's short-term illness
- public holidays

- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

### **11. Children turning three during the year of enrolment**

Children can only commence the program when they have turned three. A prorated invoice will be provided from the date of commencement.

### **12. Support services**

Families experiencing financial hardship often require access to family support services. Information on these services is available from the kindergarten service provider and a list can be supplied to those families who require it. If your service does not already have this information a good place to start is with your local council.

### **13. Notification of fee changes during the year**

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.
